

Are there any fiber optic connector manufacturers in East Africa that supply them

AI Overview

Yes, East Africa has several manufacturers and suppliers of fiber optic connectors and related products, including East African Cables, Nia Fiber Africa, and multiple specialized telecom companies in Kenya. Key Manufacturers and Suppliers

1. East African Cables (EAC) EAC is a leading cable manufacturer with facilities in Kenya, Tanzania, and the Democratic Republic of Congo. They produce a wide range of cables, including fiber optic cables and accessories, and supply them across East and Central Africa, including Uganda, Rwanda, Burundi, South Sudan, and Ethiopia. EAC maintains international quality standards (ISO 9001:2015) and offers products suitable for both domestic and industrial applications, including telecommunications and data transmission networks.
2. Nia Fiber Africa Limited Nia Fiber specializes in fiber optic cables and accessories, offering products such as duct fiber cables, ADSS cables, air-blown micro cables, and FTTH indoor/outdoor cables. Their products are designed for high-capacity, long-distance data transmission and are suitable for both indoor and outdoor installations. Nia Fiber serves clients across Africa and provides consulting and supply services for telecom infrastructure projects.
3. Kenyan Telecom and Fiber Companies Several companies in Kenya focus on fiber optic network deployment and supply, including:
 - Frontier Optical Networks (FON) Limited – Provides high-quality fiber optic broadband solutions and international connectivity.
 - Soliton Telmec Limited – Specializes in metro fiber connectivity and FTTx solutions, including FTTH projects.
 - Astratel – Offers installation and maintenance of fiber optic networks, including FTTH, FTTB, and FTTX technologies.
 - Genie Telecom Company Li...
