

Chinese ElectroGalvanized Cable Tray Manufacturers

AI Overview

China hosts several leading manufacturers of electrogalvanized cable trays, offering ladder, perforated, and wire mesh systems suitable for industrial and commercial applications. Top Manufacturers

1. Shandong Tianhong Electric Power Technology Co., Ltd. Founded in 2006, Tianhong specializes in cable tray systems including perforated trays, cable ladders, trunking, strut channels, and fittings. Their electrogalvanized products are designed for durability, corrosion resistance, and flexible installation. The company provides OEM and ODM services, supporting customized solutions for power plants, data centers, and commercial buildings, with automated production lines ensuring consistent quality and fast delivery.
2. Shandong JLH Electric Co., Ltd. JLH Electric is recognized for its large-scale production facilities equipped with CNC machines and robotic welding lines. They manufacture ladder trays, perforated trays, and wire mesh systems using hot-dip and pre-galvanized steel, stainless steel, and aluminum. Their products are widely used in industrial plants, solar farms, and data centers, offering high strength and long-term reliability.
3. Koka Cable Tray Koka focuses on high-quality, durable cable trays including perforated, ladder, and wire mesh types. They serve industries such as construction, power generation, telecommunications, and oil & gas, providing customized solutions to meet specific project requirements.
4. Apex Tray Apex Tray manufactures perforated, ladder, and solid bottom trays, emphasizing cost-effectiveness and quality. Their products are suitable for electrical, power, telecommunications, and infrastructure projects, with a strong presence in both domestic and international markets.
5. Honest Cable Honest Cable produces a variety of cable trays including ladder, perforated, and trunking systems. Their electrogalvanized trays are designed for durability and flexibility, cat...
