

Companies that manufacture spectrometers

AI Overview

Leading spectrometer manufacturers include Thermo Fisher Scientific, Agilent Technologies, Shimadzu, JEOL, Hitachi High-Tech, Malvern Panalytical, Anton Paar, SPECTRO, B&W Tek, and AMETEK. Key Manufacturers and Their Specialties

- Thermo Fisher Scientific – Offers advanced mass spectrometry and molecular spectroscopy systems, widely used in life sciences, environmental analysis, and biomedical diagnostics, with global operations and extensive R&D support .
- Agilent Technologies – Produces high-performance benchtop and portable spectrometers, focusing on analytical reliability, workflow efficiency, and eco-friendly design for life sciences, chemical industries, and academia .
- Shimadzu Corporation – Specializes in mass spectrometry, molecular spectroscopy, and nuclear magnetic resonance, with digital integration and energy-efficient instruments for food safety, environmental testing, and regulatory compliance .
- JEOL Ltd. – Known for high-resolution nuclear magnetic resonance and electron spectroscopy platforms, supporting academic research and advanced chemical analysis .
- Hitachi High-Tech Corporation – Provides mass spectrometry and spectroscopy solutions with miniaturized, user-friendly, and automation-ready systems for environmental, biotech, and industrial applications .
- Malvern Panalytical Ltd. – Offers hybrid analytical instruments combining spectral analysis with materials characterization, serving pharmaceuticals, food and beverage, and semiconductor industries .
- Anton Paar GmbH – Focuses on specialty spectrometry, particularly near-infrared and Raman technologies .
- SPECTRO – Supplies optical emission and X-ray fluorescence spectrometers, including handheld models for metal recycling and automated systems for elemental analysis .
- B&W Tek – Manufactures Raman spectrometers and mobile spectroscopy products for pharm...

Article Content

5 Nmr Spectroscopy Companies From around the world

Bruker offers the world's most comprehensive range of NMR and EPR spectroscopy and preclinical imaging research tools. The Bruker BioSpin Group of companies develop, manufacture and supply

List of mass spectrometry companies

Below is a list of mass spectrometry, gas chromatography, and related companies. The following list might not be up-to-date and certainly incomplete. Some companies have been acquired or their

Top 100 Spectrophotometer Manufacturers in 2026 | ensun

Identify and compare relevant B2B manufacturers, suppliers and retailers. Max. Hanna Instruments offers a diverse range of analytical instruments, including spectrophotometers, which are essential

Spectrometer Manufacturers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the electromagnetic spectrum. The leading manufacturers of Spectrometers are

Top 10 Spectrometer Brand & Manufacturers

This section provides a list of the top 10 Spectrometer manufacturers, Website links, company profile, locations is provided for each company. Also provides a detailed product description of the

137 Spectrometry Manufacturers From around the world

Tip: Select a quick entry below to view selected spectrometry manufacturers by industry or country. At Advion Interchim Scientific*, we deliver tailored solutions to meet our customers' most challenging

Spectrometers

A Spectrometer is a scientific instrument used to measure and analyze the properties of light over a specific portion of the electromagnetic spectrum. Spectrometers from the leading manufacturers are

Top 10 Global Mass Spectrometer Manufacturers for 2026

Its mass spectrometers combine advanced technology with user-friendly designs, catering to the growing demand for precision in healthcare and biotechnology. Autobio's rapid growth

Spectroscopy Suppliers | Spectroscopy Europe/World

Bruker Optics, part of Bruker Corporation is the leading manufacturer and worldwide supplier of FT Infrared, Near Infrared and Raman spectrometers as well as Mobile Gas Chromatographs/Mass,

20 Spectroscopic Analyzer Manufacturers in 2026

Spectrometers Website United States, Massachusetts Company Profile Address: 10 Technology Drive, Peabody, Massachusetts, United States of America Manufacturer Overview International Light

Top 7 Spectrophotometer Companies in the Global Market

Explore the top companies, shaping the global spectrophotometer market in 2025, led by Agilent Technologies, Thermo Fisher Scientific Inc., Bruker Corporation, and Bio-Rad Corporation.

137 Spectrometry Manufacturers From around the world

Manufacturer, Laboratory analysis / Laboratory measurement technology, Düsseldorf, Germany With over 40 years of experience in designing and developing quadrupole mass spectrometers, Hiden

About Us | SPECTRO Analytical

Our sister company, Nu Instruments is a market leading designer and manufacturer of high-performance mass spectrometers, with a portfolio that includes Multi-Collector ICP-MS, Time-of-Flight ICP-MS,

26 Raman Spectrometers Manufacturers From around the world

26 Raman Spectrometers Manufacturers From around the world Tip: Select a quick entry below to view selected raman spectrometers manufacturers by industry or country.

114 Mass Spectrometers Manufacturers From around the world

114 Mass Spectrometers Manufacturers From around the world The list of mass spectrometer manufacturers is long. But hardly any site on the Internet actually offers a complete overview of the

67 Spectrophotometer Manufacturers in 2026

This section provides an overview for spectrophotometers as well as their applications and principles. Also, please take a look at the list of 67 spectrophotometer manufacturers and their company rankings.

Spectrometers – Buyer's Guide & Supplier List | RP Photonics

3. Suppliers of Spectrometers 133 suppliers for spectrometers are listed in the RP Photonics Buyer's Guide, out of which 14 present their product descriptions and images. Both manufacturers and

Spectroscopy Suppliers | Spectroscopy Europe/World

Hidden Analytical Ltd Hidden Analytical celebrates 40 years of design, development and manufacture of quadrupole mass spectrometers. Our products address a diverse range of applications - precision

We Measure What Matters | Spectrometers | Ocean Optics

Optical Sensing Solutions Spectrometers & Photonics Systems to Measure What Matters. Ocean Optics pioneered miniature spectrometers and delivers spectral

Contact Us
