

Direct Sales of Belgian Cable Trays

AI Overview

Belgium offers a range of direct suppliers for cable trays, including local manufacturers like Trayco, specialized distributors, and B2B marketplaces for industrial cable management solutions. Key Belgian Suppliers Trayco is a prominent Belgian manufacturer producing 100% Belgian cable trays, mesh trays, cable ladders, and mounting systems. They provide direct sales and project consultation, offering tailored solutions for industrial and commercial installations. Their services include advising on material selection, installation guidance, and customized quotes. Other suppliers can be found through B2B platforms like Europages, which list Belgian companies selling cable trays, cable protection systems, and related electrical materials. These suppliers often offer direct sales to businesses and contractors, covering ladder-type, solid-bottom, trough, and wire-mesh trays.

Market Overview The Belgian cable tray market is mature and evolving, driven by industrial modernization, data center expansion, and smart building projects. Direct sales dominate the market, particularly for wire mesh trays, which accounted for 6.69 million USD in 2024 and are projected to grow at a 7.85% CAGR from 2025 to 2032. Key applications include data and communication cabling, IT infrastructure, and industrial power distribution.

Product Types and Materials Belgian suppliers offer a variety of cable trays to meet different requirements:

- Materials:** Galvanized steel (heavy-duty), stainless steel (corrosive environments), aluminum (lightweight, data centers)
- Tray Types:** Ladder-type, solid-bottom, trough, wire-mesh, and single-rail trays
- Applications:** Power distribution, IT and telecom, industrial facilities, and commercial buildings
