

Does Turkey have fiber optic cables now

AI Overview

Turkey hosts a range of leading fiber optic cable manufacturers and suppliers, including FiberPlus Kablo, TTAF, ETK Kablo, SAMM Teknoloji, and Upcom Telekomunikasyon, offering high-quality products for global markets. Key Companies and Profiles

FiberPlus Kablo is a global provider of fiber optic and data cabling solutions with manufacturing and sourcing capabilities in Turkey, China, and the USA. They specialize in indoor/outdoor fiber cables, patch cords, and connectivity accessories, serving telecommunications, data centers, ISPs, and enterprise sectors with high-quality, internationally compliant products. TTAF Fiber Optic, established in Istanbul in 2003, focuses on professional network and fiber optic solutions. The company emphasizes domestic production, R&D, and customized solutions for clients, offering both multimode and singlemode fiber cables. ETK Kablo, founded in 1979, is a prominent Turkish manufacturer of fiber optic and low-current cables. Operating from Istanbul, ETK Kablo exports to over 120 countries and holds ISO 9001 and ISO 14001 certifications, ensuring high-quality and reliable products. SAMM Teknoloji specializes in fiber optic cable manufacturing and data center solutions. Established in 2003, it has expanded globally, providing innovative products across Europe, Asia, Africa, and the Americas, with a strong focus on quality and industry standards. Upcom Telekomunikasyon offers a broad range of fiber optic and copper connectivity solutions. Founded in 2012 and headquartered in Istanbul, Upcom provides ISO 9001-certified products for data centers, network infrastructure, and enterprise applications.

Additional Notable Companies

Domino Electronics: Produces optical fiber pigtailed, patch cords, closures, and joint closures, supporting indoor/outdoor and aerial/submarine fiber cables.

OZGUN Kablo ve Elektrik Malzemeleri: Manufactures copper and fiber optic cables on a 33,000 m² production area, serving the telecommunications industry.

GYM Teknoloji: Offers turnkey proj...
