

Dongya Electrical Box and Distribution Box Manufacturer

AI Overview

Dongya is a professional manufacturer of DC contactors, distribution boxes, and related electrical products with over 30 years of experience and global export capabilities. Company Overview Zhejiang Dongya Electronic Co., Ltd., established in 1984, specializes in the design, development, and manufacturing of high and low voltage DC contactors, relays, shunts, hydraulic circuit breakers, and distribution boxes. The company operates a 10,000-square-meter standard factory with more than 300 employees and maintains offices in Shenzhen, Guangzhou, and Tianjin . Dongya has over 30 years of experience in the solenoid DC contactor and electrical distribution industry, serving clients worldwide . Product Range Dongya offers a wide variety of products, including: DC Contactors: High and low voltage, suitable for telecommunication, EV, mechanical engineering, and power distribution applications . Shunts and Relays: For precise current measurement and control in electrical systems . Hydraulic Circuit Breakers: Ensuring safety and reliability in high-current applications . Distribution Boxes: Construction site and central distribution boxes made from ABS or PE materials, with IP30 to IP55 protection ratings, suitable for single-phase and three-phase systems . The company provides over 300 product models and dozens of series to meet diverse customer requirements, including customized OEM solutions . Certifications and Quality Assurance Dongya maintains strict quality and environmental standards, holding certifications such as ISO9001, ISO14001, ISO45001, IATF16949, and international approvals including UL, CSA, TUV, and CQC . The company emphasizes continuous R&D, advanced production equipment, and rigorous quality control from raw materials to finished products, ensuring high reliability and performance . Production Capacity and Global Reach An...
