

East Asia Waterproof Junction Box Manufacturer

AI Overview

Leading waterproof junction box manufacturers in East Asia include Zhejiang B&J Electrical, E-Weichat, and Yuyao Yuwei Technology, offering IP66–IP68 rated enclosures for industrial and outdoor applications.

Key Manufacturers

- 1. Zhejiang B&J Electrical Co., Ltd. (China)** Located in Wenzhou, Zhejiang Province, B&J Electrical specializes in distribution boxes and electrical enclosures, including wall-mounted, floor-standing, stainless steel, and plastic boxes. Their products meet IP66, IP67, and IP68 standards, and they hold TUV and CE certifications. B&J serves customers globally, including the Americas, Europe, Asia-Pacific, and the Middle East, and offers customized solutions for industrial and outdoor electrical systems.
- 2. E-Weichat (China)** E-Weichat focuses on IP68 waterproof connectors and junction boxes, suitable for outdoor lighting, solar systems, and industrial applications. Their products are designed for high durability and reliable performance in harsh environments, making them ideal for energy and infrastructure projects.
- 3. Yuyao Yuwei Technology Co., Ltd. (China)** Based in Yuyao City, Zhejiang Province, Yuwei Technology is a prominent manufacturer of IP55 high-protection waterproof junction boxes. Their enclosures are made from PP engineering plastics with flame retardancy, impact resistance, and aging resistance. They feature precision sealing grooves, silicone rubber rings, and built-in wire clamps for secure cable management. Yuwei supports customization in size, color, module layout, and transparent covers for inspection. Their products are widely used in industrial outdoor facilities, photovoltaic systems, construction sites, and residential outdoor areas.
- 4. Focus Technology Co., Ltd. / Keao (China)** Keao manufactures plastic waterproof enclosures for electronics, medical, and industrial equipment. They offer over 2,000 off-the-shelf enclosures and provide customized s...
