

Ethiopian Smart Building Fiber Optic Cable Brands

AI Overview

BMET Energy Telecom Industry and Trade PLC and El Sewedy Cables Ethiopia Plc are leading fiber optic cable manufacturers in Ethiopia. BMET Energy Telecom Industry and Trade PLC is the largest and most advanced electrical and telecom cable manufacturer in Ethiopia, producing a wide range of cables including fiber optic, telecom, and power cables. Their facilities use state-of-the-art technology to ensure high-quality, reliable cables suitable for smart building infrastructure. BMET's products are ISO certified and comply with international standards, making them suitable for both local and global projects. They offer cables for low, medium, and high voltage applications, as well as specialized telecom and fiber optic solutions.

Key Features: Fiber optic cables for data and communication networks
Compliance with international quality standards
Large production capacity for commercial and industrial projects
Local support and distribution in Addis Ababa

El Sewedy Cables Ethiopia Plc
El Sewedy Cables Ethiopia Plc is an affiliate of the international El Sewedy Group and produces fiber optic, telecom, and power cables, including specialized cables for industrial and smart building applications. Their products range from single-core to multi-core cables with copper or aluminum conductors, and they adhere to ISO 9001:2008 standards, ensuring high reliability and performance. El Sewedy also provides control, instrumentation, and data cables, which are essential for integrated smart building systems.

Key Features: Fiber optic cables for high-speed data transmission
Industrial-grade and smart building-ready cable solutions
International quality standards and certifications
Wide range of cable sizes and types for diverse applications

Summary
For smart building projects in Ethiopia, BMET Energy Telecom Industry and Trade PLC and El Sewedy Cables Ethiopia Plc are...
