

Fiber Optic Panel Brand Huijue

AI Overview

Huijue is a professional Chinese brand specializing in fiber optic panels, integrated cabinets, and telecom network solutions, trusted by major operators like China Mobile, China Unicom, and China Telecom. Company Overview Huijue, officially Shanghai Huijue Network Communication Equipment Co., Ltd., was established in 2001 and is headquartered in Shanghai, China, with a large production facility in Jiangsu province covering 50,000 square meters. The company integrates R&D, production, and sales, focusing on telecom and communication products, including fiber optic panels, distribution frames, joint closures, and outdoor cabinets. Huijue has over 20 years of experience in the industry and holds multiple invention and utility model patents. Product Range Huijue offers a wide range of fiber optic and network infrastructure products: Fiber Optic Panels: Precision interconnect assemblies for fiber-to-fiber and fiber-to-device connections, designed for high reliability and easy installation. Outdoor Cabinets & Shelters: Integrated cabinets with temperature control, power supply, lithium battery support, and AI technology for modular deployment. Optical Fiber Distribution Frames & Joint Closures: For efficient fiber management and network expansion. Optical Components: Connectors, transceivers, couplers, and adapters for telecom and data networks. Key Features Modular Design: Simplifies installation and allows easy expansion. High Precision Manufacturing: Uses advanced metrology and component design for reliable fiber connections. Environmental Considerations: Products are designed with sustainability in mind. Global Reach: Products are exported to Europe, North America, and Southeast Asia. Trusted by Major Operators: China Mobile, China Unicom, China Telecom, China Tower, and national radio and television systems. Reputation and Service Huijue is recognized for high-quality products and professional customer support. Clients praise the company for detailed product explanations, knowledgeable staff, and co...
