

Finland Easy-Install Cable Tray Company

AI Overview

Meka Pro Oy and Nordic Wire Tray are leading Finnish manufacturers offering cable trays designed for fast, intuitive installation and high-quality performance. Meka Pro Oy, based in Oulu, Finland, is a prominent manufacturer of steel cable ladders, cable trays, wire mesh trays, and lighting tracks. Their products are designed with quality, strength, and fluent installation in mind, ensuring a long life cycle and reliable performance in construction projects across Northern and Central Europe. Meka Pro emphasizes ease of installation, making their cable support systems suitable for both standard and complex setups. Their product range also includes customizable solutions for specific project requirements. Nordic Wire Tray offers a range of cable trays that are specifically engineered for easy installation and customization. Their X-Tray system features the longest bracket distance in the market, which reduces the number of parts needed and lowers installation costs. The trays are designed to comply with IEC 61537 standards, ensuring high quality and industry compliance. Nordic Wire Tray also provides fast delivery of standard products and the ability to custom-produce trays for unique project needs, making installation faster and more efficient.

Key Features for Easy Installation

- Intuitive design:** Both manufacturers focus on user-friendly designs that simplify assembly.
- Customizable lengths and materials:** Options in steel, aluminum, and wire mesh allow adaptation to project requirements.
- Fewer components:** Longer bracket distances and modular systems reduce the number of parts and installation time.
- Compliance with standards:** Products meet international standards like IEC 61537, ensuring safety and reliability.
- Support and accessories:** Comprehensive fittings, brackets, and accessories facilitate compact and stable installation.

For projects requiring efficient, high-quality cable management, both Meka Pro Oy and Nordic Wire Tray provide solutions that combine durability, compliance, and ease of install...
