

# Finnish Steel Fireproof Cable Tray Manufacturer

## AI Overview

Meka Pro Oy is a leading Finnish manufacturer of high-quality metal cable trays, including fire-resistant solutions. Meka Pro Oy, headquartered in Oulu, Finland, specializes in producing steel cable ladders, cable trays, wire mesh trays, and trunkings designed for durability, strength, and long service life. Their products are engineered for industrial, commercial, and construction projects, with a focus on quality, ease of installation, and compliance with safety standards. Meka Pro is recognized as a key supplier in Scandinavia and the Baltic countries, with a strong presence across Northern and Central Europe.

**Product Features**

- Fire-resistant and durable materials suitable for harsh environments and high-temperature conditions.
- Steel and aluminum options for cable trays and trunkings, ensuring robust support for electrical and data cables.
- Compliance with international standards for safety and performance, ensuring reliable operation in critical infrastructure.
- Ease of installation with thoughtfully designed holders and modular systems for efficient assembly.

**Applications**

Meka Pro's cable trays are suitable for:

- Industrial plants and factories
- Commercial buildings and data centers
- Energy and utility infrastructure
- Projects requiring fireproof or flame-retardant cable management systems

For more information, product specifications, and references, you can visit their official website at Meka Pro Oy. Meka Pro Oy stands out as a trusted Finnish manufacturer for clients seeking fireproof metal cable trays with long-term reliability and compliance with European safety standards.
