

Galvanized Wire Mesh Cable Tray Manufacturers

AI Overview

Galvanized wire mesh cable trays are available from specialized manufacturers in Europe, North America, and globally, including companies in Germany, the UK, Italy, and the USA.

European Manufacturers

- Valdinox (Germany):** Designs and produces easy-to-install wire mesh cable trays with galvanized and stainless steel options. They offer technical support and innovative self-coupling systems for enhanced durability and safety.
- The Mesh Company (UK, Warrington):** Offers a wide range of steel wire mesh materials, including galvanized options. They provide custom advice and supply woven, welded, and perforated mesh suitable for cable tray applications.
- Spina Group (Italy):** Specializes in wire mesh cable trays and is a recognized manufacturer in the European market.

North American Manufacturers

- IQS Directory (USA):** Lists numerous galvanized wire mesh manufacturers and suppliers across North America. Companies provide custom design, engineering, and fabrication services, including precision cutting, heat treating, and coating for galvanized steel wire mesh.
- Dorstener Wire Tech (USA):** Manufactures and distributes stainless steel and nickel alloy wire mesh, with capabilities for galvanized wire mesh production.
- UWC (USA):** Supplies woven and welded wire mesh with fabrication services such as shearing, slitting, and stamping, suitable for cable tray applications.

Product Features and Options

- Coatings:** Hot-dip galvanized (HDG) and electro-galvanized (EZ) options are available for corrosion resistance.
- Materials:** Steel, stainless steel, and aluminum wire mesh are commonly offered.
- Applications:** Suitable for data centers, offices, factories, and industrial installations.
- Customization:** Many manufacturers provide custom dimensions, mesh sizes, and load capacities to meet project requirements.
