

# How much does an optical fiber cable with two copper wires cost

## AI Overview

Optical fiber cables currently range from \$0.09 to \$6 per foot depending on type and installation, while copper wire prices vary by gauge and manufacturer, with Polycab providing the latest consolidated price lists.

**Optical Fiber Cable Pricing**

**Material Costs:** Fiber-optic cables vary widely in price based on fiber type, strand count, and construction. Single-mode fiber typically costs \$0.10 to \$0.50 per foot, while multimode fiber ranges from \$0.30 to \$1.00 per foot. High-count cables, such as 288-strand backbones, can reach \$6 per foot. Pre-terminated assemblies, patch cables, and connectors add to the cost depending on strand count and connector type.

**Installation Costs:** Labor, trenching, splicing, and conduit installation significantly affect total project costs. For example:

- Basic indoor run (1,000 ft single-mode):** Cable \$0.40/ft, Labor \$1.00/ft, Permits \$150, Accessories \$100; Total ≈ \$2,650–\$3,100.
- Mid-range outdoor run (2,000 ft with conduit and 4 terminations):** Cable \$0.70/ft, Labor \$1.60/ft, Permits \$350, Delivery \$120, Accessories \$250; Total ≈ \$4,940–\$6,120.
- Premium outdoor armored cable (5,000 ft, multiple splices, professional testing):** Cable \$1.00/ft, Labor \$3.00/ft, Permits \$900, Delivery \$350, Warranty extended; Total ≈ \$11,000–\$14,500.

**Market Trends:** In early 2026, optical fiber prices surged due to supply constraints, with single-mode G.652D fiber in China rising from 18 RMB/km to significantly higher levels by March. Prices have since stabilized, and the first half of 2026 is expected to see relatively steady rates, with potential gradual declines in the second half as new production capacity comes online.

**Copper Wire Pricing**

**Manufacturer Price Lists:** Copper wire prices depend on gauge, insulation type, and manufacturer. Polycab provides a consolidated, regularly updated price list for various copper wire types, including building wires, flexible wir...
