

Jordanian cable tray supplier

AI Overview

MASEICO, Brilltech Engineers, Cable House, and Munir Al Ali & Sons are leading Jordanian manufacturers and suppliers of high-quality cable trays. MASEICO (Al Masoudia Electrical Industries Co. Ltd.) is a prominent manufacturer of cable trays, ladders, supporting materials, cable glands, and earthing systems in Jordan. Their factory in Amman spans 10,000 square meters of production area and 5,000 square meters of storage, equipped with advanced CNC machines to ensure high-quality and precise manufacturing. MASEICO products comply with international standards such as NEMA, BS, and IEC, and they cater to industrial, petrochemical, power, oil, and gas projects. They also offer custom specifications and project-specific designs.

Brilltech Engineers provides durable cable trays in various sizes and materials, including galvanized steel, stainless steel, and fiberglass. Their trays are designed for optimal cable protection, airflow, and easy installation. Brilltech emphasizes compliance with stringent industry standards and offers professional support for product selection, system design, and installation, making them suitable for both small and large-scale projects.

Cable House is recognized for manufacturing reliable and long-lasting cable trays in Jordan. They use high-grade raw materials and modern manufacturing technologies to ensure durability and operational efficiency. Cable House also serves as an exporter, providing competitive pricing and global delivery options, making them a strong choice for international projects.

Munir Al Ali & Sons, established in 1981, specializes in the supply and installation of cable trays and complete cable management systems. They also handle low and medium voltage cables, communication networks, and electrical infrastructure projects. Their experience in large-scale installations and adherence to international standards makes them a reputable option for comprehensive electrical projects.
