

Madagascar Standard Distribution Box Manufacturer

AI Overview

GEYA is a leading manufacturer of power distribution boxes, and local companies like IPC SARLU and Dakri Cartons provide customized packaging solutions in Madagascar. International Manufacturer: GEYAGEYA specializes in manufacturing power distribution boxes, miniature circuit breakers, DC surge protectors, and smart electricity meters. Their distribution boxes are made from high-quality ABS material that is flame retardant, impact-resistant, and insulating, with an IP65 protection level suitable for residential solar power systems and other electrical applications. GEYA products are certified by UL, CSA, TUV, and CE, ensuring compliance with international safety standards. They offer customization options to meet specific client requirements and provide technical support for installation and selection of appropriate models. Local Manufacturers in Madagascar: IPC SARLU IPC SARLU is a Madagascar-based company specializing in corrugated cartons and packaging solutions, including single, double, and triple ply boxes. While primarily focused on packaging for food, industrial, and export applications, IPC SARLU provides customized solutions that can be adapted for electrical enclosures or protective packaging for distribution boxes. They serve both local and export markets and emphasize environmentally responsible practices with FSC-certified partners. Dakri Cartons Dakri Cartons offers customized waxed and corrugated boxes for various applications, including export and industrial packaging. Their expertise in creating tailored boxes can support the safe transport and housing of electrical components, making them a potential partner for local distribution box needs. Considerations for Choosing a Manufacturer Certification and Safety: For electrical distribution boxes, ensure the manufacturer provides products compliant with international safety stan...
