

Mexico factory producing mesh cable trays

AI Overview

Top Mexican manufacturers of mesh cable trays include Tecnotray, SIESA, Jeetmull Jaichandlall, and Timex Metals, offering high-quality, certified products for industrial and commercial applications.

Key Manufacturers

Tecnotray Tecnotray is a leading Mexican manufacturer specializing in mesh-type cable trays and squared hinged ducts. Their products are made from stainless steel wire with ANSI 304 quality, providing excellent corrosion resistance, especially in chemical, food, and saline environments. Tecnotray offers multiple color options and patented painting technology, ensuring durability and aesthetic appeal. All products are certified by ANCE, LAPEM (CFE), PEMEX (IMP), and UL, guaranteeing reliable installation and compliance with high safety standards.

SIESA SIESA manufactures ladder-type and mesh cable trays designed for industrial and commercial environments. Their trays are made from fiberglass reinforced plastic (FRP), offering non-conductive insulation, UV protection, and fire retardancy. SIESA trays are lightweight, corrosion-resistant, and comply with ASTM and UL standards, making them suitable for harsh environments and critical installations.

Jeetmull Jaichandlall This manufacturer provides wire mesh cable trays in various sizes, shapes, and colors. They focus on high-quality finishing and customization to meet industry-specific requirements. Their on-site manufacturing facility uses modern equipment and advanced technology to ensure top-quality products. Jeetmull Jaichandlall is recognized as one of the top 10 wire mesh cable tray manufacturers in Mexico and serves both domestic and international markets.

Timex Metals Timex Metals is a major wire mesh manufacturer in Mexico, producing square wire mesh and other types suitable for cable tray applications. They offer customized solutions with specific mechanical pr...
