

Papua New Guinea Cable Tray Manufacturers

AI Overview

Jeetmull Jaichandlall, Cable House, and Brilltech Engineers are among the leading cable tray manufacturers in Papua New Guinea, offering high-quality, customizable solutions for industrial and commercial applications. Leading Manufacturers Jeetmull Jaichandlall (P) Ltd. is recognized for its high-quality cable trays, available in various sizes, shapes, and colors. Their on-site manufacturing facility uses modern equipment and advanced technology to ensure top-quality products. The company emphasizes adherence to industry standards, durability, and customization to meet specific industry requirements, making it a trusted choice for sectors like construction, mining, automotive, and agriculture. Cable House, established in 1983, is another prominent manufacturer supplying cable trays along with hose clamps, cable ties, and industrial connectors. They are known for producing durable, high-performance products with reliable features and long service life. Cable House also offers customized solutions and maintains strict quality control to ensure client satisfaction both locally and internationally. Brilltech Engineers Pvt. Ltd. specializes in cable trays that protect and organize electrical systems. Their products are made from premium materials such as galvanized steel, stainless steel, and fiberglass. Brilltech trays are designed for easy installation, improved airflow, and enhanced safety. They provide both standard and customized solutions, supporting clients with product selection, system design, and installation guidance.

Product Features and Applications

Durability and Strength: Cable trays are built to withstand heavy loads, resist wear and tear, and provide long-term reliability.

Customization: Available in ladder, perforated, and galvanized designs, tailored to specific project requirements.

Safety and Organization: Trays protect cables from physical damage, dust, and environmental...
