

Price of Integrated Communication Cabinets in El Salvador

AI Overview

Integrated communication cabinets in El Salvador typically range from \$100 to \$400 USD depending on size, capacity, and features.

Overview of Options

Wall-Mounted Cabinets (4U-12U)

Linkbasic 4U Wall Cabinet: 19" rack, 4U height, steel construction, glass front door with lock, IP20 protection, load capacity 60 kg. Economical option for small offices or telecom setups. Price is generally in the \$100-\$150 USD range, depending on supplier and shipping.

Nexxt Solutions 12U Wall Cabinet: Semi-assembled, metal construction, lockable, includes ventilation tray, suitable for network, voice, and data equipment. Designed for indoor use in controlled environments. Price typically ranges \$250-\$400 USD.

Floor-Standing Cabinets

SmartRack Floor and Wall Racks: Support up to 3000 lb, adjustable rails, removable side panels, optimized airflow. Ideal for high-density server rooms or data centers. Prices vary widely based on size and configuration, often \$300-\$600 USD for standard models.

Compact Wall-Mount Cabinets

Nexxt Solutions Wall-Mount Rack (small/medium): Designed for offices or small data rooms, steel construction, lockable door, optimized ventilation. Prices are generally \$150-\$250 USD, with bulk or wholesale discounts available for larger orders.

Factors Affecting Price

Size and Height (U units): Larger cabinets (12U-42U) cost more than smaller 4U-6U units.

Material and Load Capacity: Steel thickness, weight capacity, and durability influence cost.

Ventilation and Security Features: Lockable doors, removable panels, and airflow optimization add to price.

Supplier and Shipping: Local suppliers may offer competitive pricing, while imported units may include shipping and customs fees.

How to Purchase

Request Quotes: Many suppliers in El Salvador, such as Computodo, MTech, and Guiatic, allow you to request personalized quotes based on your project...
