

Price of Vertical Shaft Cable Tray Support

AI Overview

Vertical shaft cable tray supports are available starting from approximately \$0.95 per unit, with prices varying based on material, customization, and supplier. Pricing Overview Vertical shaft cable tray supports can range from \$0.95 per unit for basic models to higher prices for customizable, heavy-duty, or fire-resistant designs suitable for industrial and commercial applications (Alibaba.com). Prices are influenced by material type (steel, aluminum, or recycled steel), load capacity, and additional features such as corrosion protection, powder coating, or modular adjustability (Accio). Factors Affecting Cost Material: Steel and aluminum supports are common, with recycled steel options often slightly more expensive due to sustainability features. Customization: Supports designed for unique installation geometries or IoT integration can increase unit cost. Market Dynamics: Raw material price fluctuations, especially zinc and aluminum, and supply chain disruptions can impact pricing stability. Certifications & Safety: Products compliant with IEC 61537 or UL 1953 standards, or with fire-resistant finishes, may carry a premium. Supplier Options Alibaba.com offers low-cost vertical cable tray supports starting at \$0.95 per unit, suitable for solar or industrial cable management. Trade India lists multiple manufacturers and suppliers in India, providing a range of options and prices for bulk procurement. Shandong Bolt Electrical Equipment Co., Ltd. provides detailed product catalogs, including vertical shaft cable trays with pricing and specifications. nVent CADDY offers innovative vertical cable supports with locking mechanisms and strut mount options, typically for industrial or commercial installations. Market Trends The global vertical cable tray support market is growing steadily, with increasing demand in data centers, industrial automation, and renewable energy projects. Buyers are favoring modular, customizable, and eco-friendly designs, which can influence pricing. For accurate procurement, it is recommended to request quotes from multiple sup...
