

Price of cable tray elbow connecting plate

AI Overview

Cable tray elbow base plates typically range from \$1.30 per piece for standard bulk orders, with prices varying based on material and customization. Pricing Overview Cable tray elbows, including base plates, are commonly available in galvanized steel, stainless steel, aluminum, or fiberglass-reinforced plastic (FRP). On platforms like Alibaba, bulk orders of standard cable tray elbows start at around \$1.30 per piece, with prices increasing for higher-quality materials or custom designs. Suppliers such as JLH Electric and Bahra Electric offer a wide range of fittings and accessories, including base plates, elbows, tees, and connectors, often with custom fabrication options to meet specific project requirements. Factors Affecting Price Material: Stainless steel and FRP are generally more expensive than galvanized steel due to durability and corrosion resistance. Size and Thickness: Larger or thicker base plates increase material costs. Customization: Custom dimensions, colors, or pre-drilled holes can raise the price. Quantity: Bulk purchases often reduce the per-unit cost, while small orders may be higher. Supplier Options Alibaba: Offers bulk cable tray elbows starting at \$1.30, suitable for industrial use and distributors. JLH Electric: Provides a variety of cable tray fittings and base plates with custom design options. Bahra Electric: Supplies modular cable tray systems and accessories, emphasizing safety and adaptability. McMaster-Carr: Offers a wide selection of cable trays and fittings with fast delivery, though prices vary by material and size. Recommendation For accurate pricing, it is advisable to contact suppliers directly with specifications such as material, dimensions, and quantity. This ensures you receive a precise quote for the cable tray elbow base plate suitable for your project.
