

Price of fully enclosed cable trays in the Netherlands

AI Overview

Cable trays in the Netherlands vary in price depending on type, material, size, and supplier, with typical ranges from €20 to €200 per 3-meter section. Types of Cable Trays and Materials

- Ladder Cable Trays** – Feature horizontal rungs for cable support; commonly used in industrial and commercial installations. Prices typically range from €50 to €150 per 3-meter section, depending on width and material (steel or aluminum).
- Wire Mesh / Basket Trays** – Made of perforated or mesh panels, ideal for data and communication cables. Prices generally range from €30 to €120 per 3-meter section.
- Trough / Solid Bottom Trays** – U-shaped or rectangular trays with open or partially covered sides, suitable for heavy-duty power cables. Costs are usually €60 to €180 per 3-meter section.
- Stainless Steel Trays** – High corrosion resistance (AISI 304), lengths of 3 meters, widths 25–600 mm, heights 25–125 mm. Prices can range from €100 to €200 per section, with custom dimensions available on request.

Supplier Options in the Netherlands

- InElektro.nl** – Offers high-quality cable ducts and trays, 3-meter lengths, competitive pricing, and fast shipping.
- CC Nederland B.V.** – Specializes in stainless steel cable trays with flexible installation options and custom sizes.
- Brilltech Engineers / CableTrayManufacturers.in** – Provides galvanized steel, stainless steel, and fiberglass trays, with installation support and design assistance.
- Volza Database** – Lists 72 active ladder and cable tray suppliers in the Netherlands, useful for comparing pricing, shipment volumes, and supplier reliability.

Additional Considerations

- Shipping Costs** – Typically vary by supplier and order volume; InElektro.nl provides shipping options at checkout.
- Customization** – Stainless steel and perforated trays can be custom-sized, which may increase cost.
- Installation Accessories** – Support arms, covers, and clamps may add €5–€20 per section depen...
