

Professional manufacturer of fiberglass cable trays in the Philippines

AI Overview

Several professional manufacturers in the Philippines offer high-quality fiberglass (FRP) cable trays with customization, bulk production, and industrial-grade durability. Key Manufacturers and Suppliers

Brilltech Engineers Pvt. Ltd. Brilltech Engineers is a recognized supplier of cable trays in the Philippines, including fiberglass options. They provide durable trays designed to protect cables from physical damage, dust, and environmental hazards. Their products are available in various sizes and styles, including perforated trays for improved airflow and cooling. Brilltech emphasizes compliance with industry standards and offers support for product selection, system design, and installation.

TradeFord Philippines Directory TradeFord lists multiple local fiberglass cable tray manufacturers and suppliers. This platform connects buyers with verified manufacturers, exporters, and traders, allowing you to request quotations and compare products. It is particularly useful for sourcing bulk orders or finding specialized fiberglass cable trays for industrial applications.

CFRP-TSTAR CFRP-TSTAR manufactures fiberglass cable trays using pultrusion technology, producing ladder-type, tray-type, and trough-type profiles. Their trays are corrosion-resistant, flame-retardant, and customizable for UV protection or anti-slip surfaces. They cater to large-scale projects, including substations, power plants, chemical industries, and transportation infrastructure. The company offers sample products, bulk orders, and flexible shipping options, with a monthly production capacity of up to 1 million meters.

Shandong Hongfeng Power Technology Co., Ltd. Although based in China, Hongfeng supplies fiberglass cable trays to the Philippines and specializes in industrial and infrastructure applications. They offer automated production, fast delivery, and full customization, including co...
