

Recommended Industrial Switches in Mauritius

AI Overview

The leading industrial switches in Mauritius include durable and weatherproof options from Legrand, Hager, Schneider, and other trusted brands, suitable for commercial and industrial applications.

Recommended Industrial Switches

- Legrand Plexo Waterproof Switches** – IP55 rated, resistant to dust and water splashes, ideal for outdoor and industrial environments in Mauritius, available in 1-gang and 2-gang configurations with tool-free connections.
- Hager Muse 16AX 2 Gang 2 Way Switch** – Complies with IEC 60669-1, suitable for industrial loads, supports multiple wiring configurations, and comes in durable finishes.
- Legrand Synergy Single Pole Switches 10AX** – Compact, reliable, and suitable for industrial and commercial installations, with thermoset front plates and large terminal entries.
- Legrand Arteor Modular Switches** – Flexible modular system for industrial control panels, offering clip-in carrier plates and easy installation.
- Schneider Slimline Switches** – High-quality switches designed for industrial and commercial use, offering robust performance and compliance with international standards.
- Legrand Belanko S Double Pole Switch 20A** – 1-way switch with neon indicator, thermoplastic construction, suitable for heavy-duty industrial circuits.
- Hager Dream Series Switches** – Industrial-grade switches with high durability, suitable for commercial and industrial electrical systems.
- Legrand Forix Surface Mounting Switches** – IP44 rated, suitable for industrial and outdoor applications, with 16A French standard socket-outlets.
- British General (BG) Industrial Switches** – Available through NIS Trading, offering reliable performance for industrial installations.
- KHIND and Thames Lighting Industrial Switches** – High-quality switches for commercial and industrial use, available locally in Mauritius.

Key Considerations

- Weatherproofing:** For outdoor or harsh industrial en...
