

# SC pigtail jumper wires sold directly from the manufacturer

## AI Overview

SC pigtail jumper wires can be purchased directly from manufacturers such as Weunion, Optico, and LongXing, offering customizable, high-quality fiber optic solutions. Direct Manufacturers and Suppliers

**Weunion Fiber:** Offers SC fiber optic pigtails directly from their factory in China, emphasizing low prices and high-quality products with guaranteed satisfaction. They provide single-mode and multimode options suitable for telecom and data applications (Weunion Fiber).

**Shenzhen Optico Communication Co., Ltd.:** Manufactures SC pigtails with various specifications including OFNR riser grade, LSZH, and plenum cables. They provide 12-color bundle pigtails, SC APC or UPC connectors, and offer free samples and wholesale customization directly from the factory (FiberOpticom).

**LongXing:** Produces SC pigtails and fiber jumper assemblies in an ISO9001-certified facility. Their products meet RoHS standards and are available in single-mode and multimode configurations, ensuring low insertion loss and high repeatability (LongXing).

**Product Features to Consider**

**Connector Type:** SC pigtails are known for their durable snap-in design, widely used in data and telecom networks. Other connector types like LC, ST, and FC are also available if needed (MeFiberOptic).

**Fiber Type:** Single-mode for long-distance transmission or multimode for shorter distances and LAN applications.

**Polish Type:** UPC (Ultra Physical Contact) or APC (Angled Physical Contact) to reduce back reflection and insertion loss.

**Cable Options:** LSZH, plenum, or riser-rated cables depending on installation requirements.

**Customization:** Many manufacturers offer custom lengths, color coding, and bundle configurations for network compatibility.

**Ordering Tips**

Contact the manufacturer directly to request bulk pricing, free samples, or custom specifications. Verify compliance with standards such as Ro...
