

Scene of the electrical box explosion

Overview

Firemen were at the scene of the underground explosion Tuesday morning that created smoke and fire in front of the Chilam Balam Hotel. The explosion and subsequent fire damaged a. In an eerily underlit environment, an electrical box mounted on an old brick wall bursts into a dramatic explosion. The sudden burst sends sparks and debris flying through the air, casting an enigmatic glow that illuminates the dense smoke billowing around. I think you will be surprised as you watch it. This short video shows just how powerful electricity is as a small “explosion” occurs due to a simple short circuit. This clip showcases a dramatic 'electrical' malfunction, with a utility box engulfed in flames and 'sparks'. Encapsulated electrical enclosure Explosion-proof industrial design concept. Browse 2,058 authentic electric explosion stock videos, stock footage, and video clips available in a variety of formats and sizes to fit your needs, or explore arc flash or light explosion stock videos to discover the perfect clip for your project.
