

Source of fireproof cable trays for Ghana

AI Overview

Top fireproof cable trays in Ghana are offered by Brilltech Engineers, Nexans Kabelmetal, Sintex, and Cablofil (Legrand), providing durable, fire-resistant solutions for industrial and commercial applications. Leading Manufacturers and Suppliers1. Brilltech Engineers Pvt. Ltd. Brilltech is a well-known supplier in Ghana, offering galvanized steel, stainless steel, and fiberglass cable trays. Their perforated and ladder-style trays are designed to enhance airflow, prevent overheating, and provide fire resistance, meeting stringent industry standards. They also provide customized solutions for residential, commercial, and industrial projects, along with installation support and after-sales service . 2. Nexans Kabelmetal & Sintex FRP/GRP Trays Nexans Kabelmetal and Sintex provide fire-resistant FRP/GRP (fiber-reinforced plastic) cable trays, which are lightweight, corrosion-resistant, and non-toxic in case of fire. These trays are suitable for critical infrastructure, including power, oil, gas, and industrial facilities. Galvanized steel trays with fireproof coatings are also available, offering mechanical strength and long-term durability . 3. Cablofil by Legrand Cablofil wire mesh cable trays are globally recognized and available in Ghana through Legrand. They are certified E30/E90, conforming to IEC 61 537 and other international standards. The 90% open structure ensures minimal heat retention, reducing fire risk, while the wire mesh design allows easy inspection and maintenance. Cablofil trays are suitable for industrial, commercial, and offshore applications, offering flexibility, corrosion resistance, and quick installation .

Key Considerations for Choosing Fireproof Cable Trays

Material: Galvanized steel, stainless steel, and FRP/GRP are preferred for fire resistance.

Certifications: Look for E30/E90 or IEC compliance to ensure fire safety standards.

Design: Ladder, perforated, or wire mesh trays improve airflow and reduce overheating.

Support and Service: Companies offering installation guidance and after-sales support can ensure proper system per...
