

South Asia Cable Tray Suppliers

AI Overview

Leading cable tray manufacturers in South and Southeast Asia offer high-quality, durable, and customizable solutions for industrial, commercial, and infrastructure projects. Key Manufacturers in South and Southeast Asia

1. PT Sumber Surya Mandiri (Indonesia) Located in Indonesia, Sumber Surya Mandiri specializes in steel products and cable trays, exporting globally. Their factory produces durable cable management systems suitable for industrial and infrastructure applications, emphasizing quality and international standards compliance.
2. Langfang Aoyunte Cable Tray Co., Ltd. (China, serving Southeast Asia) Aoyunte provides a wide range of cable trays including ladder, perforated, modular, and wire mesh types. They offer customized solutions for different climates, voltage standards, and installation environments, making them a key supplier for Southeast Asian projects. Their products are exported to Southeast Asia, the Middle East, Europe, and South America.
3. Shandong Tianhong Electric Power Technology Co., Ltd. (China, exporting to Asia) Tianhong specializes in perforated trays, cable ladders, wire mesh trays, and strut channels. With automated production lines and OEM/ODM services, they supply cable trays for power generation, industrial facilities, data centers, and infrastructure projects across Asia and beyond.
4. Other Notable Asian Manufacturers Asia hosts several reputable manufacturers in countries like Indonesia, Malaysia, Vietnam, and the Philippines. These companies focus on high-quality, corrosion-resistant, and climate-resilient cable trays, suitable for industrial, telecommunications, and construction sectors.

Market Trends in Southeast Asia The Southeast Asian cable tray market is growing at a CAGR of 7.8%, driven by over \$150 billion in annual infrastructure spending. Wire mesh trays are increasingly popular due to their lightweight and flexible design, especially for smart city and renewable energy projects. Compliance with local electrical codes and fire safety standards is critical,...
