

Suriname power distribution box price

AI Overview

Power distribution boxes in Suriname are available through both online marketplaces and commercial import channels, with prices varying by brand, capacity, and type. Online Marketplaces and Pricing For indoor electrical distribution boxes, platforms like Machinio list new and used units from brands such as ABB, General Electric, Siemens, Square D, and Cutler-Hammer. Prices depend on specifications like amperage, number of circuits, and enclosure type. For example, a GE load center with 125–150 AMP capacity or a Cutler Hammer panelboard with 100 AMP main breaker can be found on these platforms, often with detailed product photos and specifications for buyers to compare before purchase.

Commercial Vehicle Distribution Boxes The commercial vehicle electric power distribution box market in Suriname has seen growth and diversification, with imports coming from the USA, China, Netherlands, Finland, and Germany. The market has a moderate concentration, indicating multiple suppliers and competitive pricing. From 2020 to 2024, the market experienced a CAGR of 20.22%, reflecting stable demand and potential for expansion. Businesses can access market reports from research firms like 6Wresearch for detailed pricing trends, revenue analysis, and strategic insights.

Local Platforms and Utilities The Energie Bedrijven Suriname (EBS) website provides tools for electricity management, including digital applications for new connections, upgrades, or revisions. While it primarily focuses on electricity services and billing, EBS can be a point of contact for official procurement or installation of distribution boxes for residential, commercial, or industrial use.

Key Considerations Type and Capacity: Indoor vs. outdoor, amperage, number of circuits, and busway compatibility affect pricing. Brand and Origin: Imported units from the USA, Europe, or China may vary in cost due to shipping and import duties. Market Reports: For businesses, subscribing to market intelligence reports provides insights into pricing trends, sup...
