

Swiss busbar cable tray manufacturer

AI Overview

Leading Swiss manufacturers of busbar cable trays include Sefag Components AG, LANZ AG, BKS Kabel-Service AG, and InduPart AG, offering customized and certified solutions for industrial and energy distribution applications.

Key Manufacturers

Sefag Components AG Sefag specializes in manufacturing custom busbars made from copper, aluminum, and brass, including straight, curved, or pre-bent designs. They provide individual busbars, complex busbar systems, and compact packages tailored to customer requirements. Their copper busbars use materials such as Cu-ETP, Cu-OF, and Cu-OFE, while aluminum options include EN AW-6082 and EN AW-6060. Sefag is certified according to EN 15085 for welded joints in the railroad sector and serves applications in plant engineering, energy distribution, and mobility.

LANZ AG LANZ is a Swiss Made certified manufacturer of cable routing systems, busbar systems, and cable outlets. They offer steel wire mesh trays with halogen-free polyethylene coatings, C-channels in powder-coated or stainless steel, and stackable flat tracks for space-efficient installations. Their products comply with IEC 60754-1 / EN 50267-2-1 standards and are suitable for industrial, commercial, and residential applications, including factories, tunnels, and office buildings.

BKS Kabel-Service AG BKS provides flexible busbars, such as the BKS NewLine 726, 4P, designed for high-performance networking and electrical distribution systems. They focus on innovative and customizable cabling solutions that ensure long-term reliability and enhanced performance for industrial and infrastructure projects.

InduPart AG InduPart offers a broad range of cable management solutions, including metal and plastic enclosures, wire ducts, cable ducts, cable glands, and electrical control elements. They provide custom-made assemblies and on-site consulting to optimize cable routing and busbar installations, supporting complex industrial environments with tailored solutions.

Summary These Swiss manufacturers provide a combination of customization, high-
