

Ugandabuk Welding Fiber Tray Manufacturers

AI Overview

Uganda has several manufacturers for steel cable trays, fiber trays, and welding services, including Build Matt, BUK Trays, and multiple suppliers listed on Volza.com. Steel Cable Tray Manufacturers Build Matt Uganda specializes in steel cable tray fabrication and accessories for industrial, commercial, and construction applications. They provide durable, custom-built steel trays, including wall-mounted supports, ceiling-mounted supports, adjustable brackets, elbows, tees, vertical bends, splice plates, connectors, and protective covers. Their services include CNC cutting, welding, powder coating, galvanizing, design, engineering, installation, and maintenance, ensuring robust and long-lasting cable management solutions. Fiber Tray Manufacturers BUK Trays Uganda produces eco-friendly fiber trays, primarily for egg storage and transportation. Their trays are made from recycled paper pulp, offering biodegradable and cost-effective solutions. The manufacturing process involves sourcing recycled paper, pulping it into fiber slurry, and molding it into durable trays suitable for poultry farms, hatcheries, and distributors. While these are not electrical cable trays, they represent the local expertise in fiber tray production. Welding Suppliers and Manufacturers According to Volza.com, Uganda has 385 active welding exporters and manufacturers, including major players like Steel and Tube Industries Limited, Apex Steel Limited, and Mabati Rolling Mills Ltd. These companies provide welding services, steel fabrication, and related components, catering to both local and international buyers. The directory includes contact information, export shipment data, and product details, making it a useful resource for sourcing welding and fabrication services. Summary For steel cable trays and accessories: Build Matt Uganda is a leading provider with full fabrication and install...
