

Venezuela Cable Tray Factory Source

AI Overview

Venezuela hosts several reputable cable tray manufacturers, including Cabletray®, Jeetmull Jaichandlall, and Brilltech Engineers, offering a wide range of high-quality cable management solutions. Key Manufacturers

1. Cabletray® (Montuenga Hnos, C.A.) Based in Caracas, Cabletray® produces modern cable tray systems for the national market. Their operations cover engineering, production, quality control, and sales. They manufacture prefabricated metal structures with two side rails connected by cross members, available in perforated designs for ventilation. Materials include steel and extruded aluminum. Cabletray® emphasizes strict quality control, adherence to national and international standards, and offers engineering support for custom applications.
2. Jeetmull Jaichandlall (P) Ltd. This manufacturer provides versatile cable trays in various sizes, shapes, and colors. Their facility uses modern equipment and advanced technology to ensure high-quality production. They focus on durability, impact resistance, and compliance with industry standards. Jeetmull Jaichandlall is recognized as one of the top cable tray suppliers in Venezuela and serves both domestic and international markets.
3. Brilltech Engineers Pvt. Ltd. Brilltech Engineers offers cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed for durability, safety, and efficient cable management, including perforated designs for airflow and cooling. They provide technical support for product selection, system design, and installation, ensuring compliance with safety regulations.
4. Flame-Retardant and Fire-Resistant Cable Tray Suppliers Companies like St. Louis Group (SLG) and Eurotray provide specialized flame-retardant and fire-resistant cable trays suitable for industrial and energy applications. These suppliers focus on safety, regulatory compliance, and innovative fire-safety solutions for various sectors.
