

What are some Slovenian wire mesh cable tray companies

AI Overview

You can find wire mesh cable trays in Slovenia from suppliers like Spina Group, Brilltech Engineers, and Cable House, offering a range of materials, sizes, and installation accessories. Key Suppliers

Spina Group offers a complete range of wire mesh cable trays suitable for industrial, telecommunications, construction, and food processing applications. Their trays are available in galvanized, stainless steel, or electro-zinc finishes, ensuring high resistance to corrosion and mechanical stress. The system includes straight elements, shelves, connectors, covers, and a wide range of installation accessories such as floor supports, suspension brackets, and wall shelves, allowing flexible assembly in any industrial setting.

Brilltech Engineers Pvt. Ltd. provides wire mesh and perforated cable trays in Slovenia for residential, commercial, and industrial projects. Their trays are made from galvanized steel, stainless steel, and fiberglass, designed to protect cables from physical damage, dust, and environmental hazards. They also offer customized solutions, installation support, and after-sale services to ensure optimal cable management and safety.

Cable House is another recognized manufacturer and supplier in Slovenia, offering customized cable tray solutions along with related products like cable ties, crimping tools, and connectors. They focus on high durability, reliable performance, and compliance with industry standards, making them suitable for both national and international projects.

Considerations When Choosing a Supplier

Material: Choose between galvanized steel, stainless steel, or electro-zinc depending on environmental conditions and corrosion resistance needs.

Tray Type: Options include wire mesh, perforated, ladder, and PVC trays.

Accessories: Ensure the supplier provides compatible connectors, covers, and mounting brackets for easy installation.
