

What are some low-voltage complete equipment companies in Algeria

AI Overview

Algeria offers a range of low-voltage complete electrical equipment sets through local distributors and manufacturers such as AST ENERGY, Electrissima, and ELECTRIC-DZ. Key Suppliers and Manufacturers

AST ENERGY specializes in industrial electrical installations and commissioning of substations, providing tools and equipment for low-voltage systems, including protection relays, micro-ohmmeters, and electrical toolboxes for complete installations. **Electrissima** represents ABB products in Algeria, offering a full range of low-voltage panels, communication cabinets, and electrical distribution boards suitable for industrial, commercial, and residential applications. Their **DRIVIA™** series provides complete solutions for connecting, protecting, and controlling electrical installations. **ELECTRIC-DZ** supplies a wide variety of low-voltage equipment, including cables, electrical panels, circuit breakers, differential switches, surge protectors, and construction site enclosures. They provide complete sets for full electrical installations, catering to both small and large-scale projects.

Product Features and Offerings

- Switchgear and Panels:** Low-voltage switchgear, distribution boards, and modular panels for safe and reliable power distribution.
- Protection Devices:** Circuit breakers, fuses, relays, and surge protection devices to safeguard electrical systems.
- Installation Accessories:** Cables, connectors, enclosures, and toolkits for complete setup.
- Standards and Quality:** Many products comply with international standards (IEC) and are sourced from reputable brands like ABB, ensuring reliability and safety.
- Applications** These low-voltage complete sets are suitable for:
 - Industrial plants and factories
 - Commercial buildings and offices
 - Residential complexes
 - Infrastructure projects requiring reliable electrical distribution

By choosing local suppliers like AST ENERGY, Electrissima, and ELECTRIC-DZ, customers in Alger...
