

Where can I buy explosion-proof electrical distribution boxes in Mexico

AI Overview

You can source explosion-proof electrical distribution boxes in Mexico from certified suppliers like BARTEC, Hexlonex, MLX-EX, Ex Industries, and Shengyiex, all offering ATEX and IECEx compliant solutions for hazardous zones. Recommended Suppliers

- 1. BARTEC** BARTEC provides a wide range of explosion-proof and substance-resistant components, including low-voltage switchgears and motor control systems suitable for hazardous areas. Their products cover Ex d (flameproof), Ex e (increased safety), Ex i (intrinsically safe), and Ex p (pressurized) enclosures. They offer both standard and custom solutions, with options for fixed-mounting, plug-in, push-in technology, and front/rear accessibility. BARTEC's systems are designed for Zone 1 environments and come with global certifications and long design life.
- 2. Hexlonex** Hexlonex supplies durable explosion-proof distribution boxes and electrical enclosures certified for Zone 1 and Zone 2. Their products meet IECEx and ATEX standards, making them suitable for industrial hazardous areas where flammable gases or dust may be present.
- 3. MLX-EX** MLX-EX specializes in Ex junction and terminal boxes, which are essential for safe electrical connections in explosive atmospheres. Their enclosures are made from stainless steel, aluminum, or glass-reinforced polyester (GRP) and provide high ingress protection (IP65/66 or higher). These boxes are certified for Zones 1, 2, 21, and 22, ensuring compliance with ATEX and IECEx standards.
- 4. Ex Industries** Ex Industries offers a global portfolio of explosion-proof electrical boxes, junction boxes, and intrinsically safe barrier systems. They support multiple enclosure standards and brands, including Appleton, Crouse-Hinds, and Adalet, making it easier to upgrade or replace existing systems. Their products are suitable for hazardous locations with flammable gases or dust, and they provide technical guidance for pro...
