

Where can I find cable mesh trays in Tanzania

AI Overview

Tanzania has a robust supply of mesh-type cable trays, with multiple local manufacturers offering high-quality, customizable solutions for industrial and commercial applications.

Key Manufacturers and Suppliers

- Wiremeshes** – Offers a wide range of cable trays including perforated, ladder, and custom wire mesh trays. Their products are designed for durability, easy installation, and long-term performance in industries such as construction, telecommunications, and power generation (Apextray).
- Electricool** – Specializes in customized cable tray solutions suitable for both small and large-scale industrial projects. Their trays are built to withstand challenging environments and are widely used in manufacturing, energy, and telecom sectors (Apextray).
- Jeetmull Jaichandlall (P) Ltd.** – Provides wire mesh cable trays in various sizes, shapes, and colors. Their trays are made from sturdy metal wires, offering high impact resistance, ventilation, and security. They cater to construction, mining, automotive, and agricultural industries (Wiremeshes).
- J Selectromec** – Manufactures light, medium, and heavy-duty cable trays using pre-galvanized steel. They focus on local production and provide support for installation and system design (J Selectromec).
- Brilltech Engineers Pvt. Ltd.** – Supplies durable cable trays made from galvanized steel, stainless steel, and fiberglass. Their perforated trays enhance airflow, prevent overheating, and comply with industry safety standards. They also offer installation support and system design services (Cabletraymanufacturers).

Product Features and Applications

Material Options: Galvanized steel, stainless steel, and fiberglass for corrosion resistance and durability.

Designs: Wire mesh trays, perforated trays, ladder trays, and custom configurations.

Applications: Electrical cable management in construction, industrial...
