

Which company makes the best cable tray support

AI Overview

Top recommended companies for cable tray support systems include HDmann, Eurotray, OBO Bettermann, Atkore International, and INDEX, offering a wide range of products for industrial, commercial, and specialized applications. HDmann Cable & Strut Support Systems HDT, FCT, and WM cable trays are offered for heavy-duty, corrosion-resistant, and light-duty applications, respectively. HDmann specializes in offshore oil and gas, mining, and natural gas liquefaction projects, providing integrated bridge design and manufacturing services for cable tray support systems. Eurotray Eurotray provides a comprehensive range of perforated, ladder, and solid bottom cable trays, underfloor systems, and accessories. They also offer seismic suspension systems, facade anchorage, and earthing solutions, making them suitable for complex electrical installations requiring high reliability and durability. OBO Bettermann With over 100 years of experience, OBO Bettermann focuses on cable support systems for industrial installations, offering products that withstand mechanical loads and environmental conditions. They provide planning and installation support, ensuring efficient, safe, and long-lasting cable management solutions. Atkore International Atkore International manufactures cable trays, cable management systems, and infrastructure products, including stainless steel and galvanized options. They cater to construction and renovation projects worldwide, providing customizable solutions for various industrial and commercial needs. INDEX INDEX offers versatile profiles and support systems for electrical installations, telecommunications, pipelines, and cable trays. Their products include galvanized, stainless steel, PVC, and plastic-coated finishes, suitable for light, medium, and heavy loads, with modular assembly options for quick and durable installation.
