

Which manufacturers produce optical cables in Indonesia

AI Overview

Indonesia hosts a range of reputable fiber optic cable manufacturers, including PT Voksel Electric Tbk, PT Sinarmonas Industries, PT ZTT Cable Indonesia, and PT Inti Fiber Optik, offering solutions for telecommunications, FTTH, and industrial applications.

Key Manufacturers

- PT Voksel Electric Tbk** – Based in Jakarta, PT Voksel specializes in manufacturing optical fiber cables with processes such as coloring, secondary coating, stranding, and sheathing to ensure durability and high performance. Their products are suitable for various applications, including telecommunications and industrial networks.
- PT Sinarmonas Industries** – Also located in Jakarta, this company produces a wide range of cable products, including FTTH and FTTX solutions. They focus on high-quality fiber optic cables for both residential and enterprise networks.
- PT ZTT Cable Indonesia** – PT ZTT produces fiber optic cables with advanced construction, including loose tube, tight buffer, and semi-tight buffer designs. Their cables incorporate strength members like FRP, steel wire, and aramid yarns, along with water-blocking materials and armored options, making them suitable for diverse operating environments.
- PT Inti Fiber Optik** – This manufacturer offers premium fiber optic cables for telecommunications, enterprise, and industrial applications. They provide FTTH solutions, including drop cables, indoor/outdoor cables, patch cords, and accessories, with full customization options for fiber count, jacket material, and cable length.

Other Notable Manufacturers – Additional companies include FiberStar, Balifiber, Fibernet, PT Link Net Tbk, and PT Multi Kabel Indah (MKI), which provide both manufacturing and ICT solutions, supporting high-speed broadband, FTTH, and FTTX networks across Indonesia.

Capabilities and Services These manufacturers typically offer FTTH and FTTX solutions for residential...
